

SALMA HANI ESMAIL

Software Engineer | ECPC Finalist

📞 01274277222  salma-hani  salmahani0127@gmail.com  SalmaHani2

 Salma_Hani  Asyut, Egypt

SUMMARY

Fourth-year Computer Science student at Assiut University, passionate about **problem solving**, **algorithms**, and **competitive programming**.
Actively involved in mentoring students in **ICPC Assiut University Community**, focusing on **problem-solving skills**, **algorithms**, and **structured training**.
Interested in **software engineering** and **full-stack development**, with strong teamwork and continuous learning skills.

EXPERIENCE

Mentor

ICPC Assiut University Community

📅 Sep 2025 – Present  Assiut

- Mentor students in **competitive programming** and **problem-solving**.
- Help juniors improve **algorithms** and coding skills.
- Conduct practice sessions and guide training tracks.

Full Stack .NET Developer

Digital Egypt Pioneers Initiative (DEPI)

📅 Jun 2025 – Dec 2025  Egypt

- Completed intensive **Full Stack .NET** training.
- Worked in an **Agile team** as a backend developer using **Clean Architecture**.
- Contributed to the **Smart City Services** mega project.
- Project achieved **1st Place Nationwide (Round 3)**.

TRAINING / COURSES

Web Development Using Angular | ITI

- Learned **JavaScript (ES.Next)**, **HTML5**, and **Bootstrap**.
- Mastered **Angular Framework** for SPA applications.
- Built dynamic and responsive front-end applications.

MERN Stack Trainee | ITI

- Built foundations in **front-end** and **back-end** development.
- Developed dynamic **full-stack web** applications.

EDUCATION

Computer Science

Assiut University

📅 2023 – 2027  Assiut

GPA: 3.51 / 4.0

KEY ACHIEVEMENTS

ECPC Finalist

Qualified as an **ECPC Finalist**, ranking **6th** at **Assiut University** and **24th** among contestants on the contest day.

National Recognition

Achieved **1st Place Nationwide (Round 3)** in the **Smart City Services** project under **DEPI**.

Competitive Programming

Solved over **1,800+** **programming problems** across multiple platforms.

SKILLS

Technical Skills

- ASP.NET Web API
- REST APIs
- Angular
- C++
- Data Structures
- Algorithms
- OOP
- SOLID Principles
- Problem Solving

Soft Skills

- Communication
- Teamwork
- Time Management
- Critical Thinking
- Adaptability
- Leadership
